ENROLMENT CRITERIA FOR YEAR 9 BOARDERS

Purpose

February/March 2027. This procedure outlines the process of enrolment into Coldstream Hostel as a Year 9 boarder.

Determination of Available Places

The Rector of Southland Boys' High School will determine the number of places available for year 9 boarders each year, considering hostel and school capacity, staffing and the overall needs of the hostel community. The number of available places may change over the course of the year as current boarders leave the hostel.

Enrolment Criteria (Priority Order)

If applications exceed the accommodation capacity of Coldstream Hostel, applications from students meeting one or more of the following criteria will be considered first:

1. The applicant has a brother currently boarding at Coldstream Hostel.
2. The applicant has an immediate family member (brother, father, or grandfather) who previously boarded at Coldstream Hostel.
3. The applicant is the son of a current employee or Board member of Southland Boys' High School.

If the number of priority applicants exceeds the places available, those applicants will be interviewed and assessed by the Selection Committee to determine offers of enrolment. The decision of the Selection Committee shall be final.

Applicants who do not meet any of the above criteria will be considered only after all priority applicants have been assessed. Where places remain available, these applicants may be interviewed and considered for enrolment.
