L1HIS Assessment Statement 2019

Course is endorsable

Year : 11

Course : History

Total Credits : 24

History teaches the students to analyse events in the past using a wide variety of resources. The students are able to contribute to the selection of 19th and 20th Century topics to explore, which include local and New Zealand history as well as significant events that have occurred internationally. Students will refine their research skills by collecting both primary and secondary sources and analysing them. There is an equal balance of internal and external achievement standards for the students to draw from.
