

Performing Arts

L3THE Assessment Statement 2019

Year : 13

Course : Theatre Tech

Total Credits : 36

This is a course for students who are interested in the behind the scenes roles that are needed to stage Performing Arts productions. The Level 3 NCEA Theatre Tech course is based around a range of skills and technologies including lighting, sound, costume design, make-up, props, and in particular how these creative elements are communicated through the development of portfolios. Much of this course is hands on, and requires a commitment to participate in performances outside of school hours. For those interested in gaining an endorsement, an optional Technology external is available. Students will be encouraged to view performance and take part in opportunities outside of the classroom. Technical skills are widely sought after in both community and professional circles. Prerequisite: Successful completion of Year 12 Theatre Tech, or an interest in the workings of Performing Arts productions with HOF approval.

No	Standard Number	Version	Level	Credits	Lit / Num	Full Title	Method of Assessment	Assessment Opportunities Offered	Approximate Date	Grade	Teacher Signature
1	28002	2	3	6		Research, develop and visually communicate a costume design concept for a given work	Portfolio	1	1 per term (1 of 3)
