When you log in you will see some instructions at the top of the page

Year 9 Options Half Year Courses

Please ensure that you select an option for all four lines (unless you select 9DAP)

Choose your options in order of preference; ie 81A - 1st choice, 81B - 2nd choice etc

If you choose Developing Athletes Programme, you ONLY need to choose another 2 options, as it runs all year (3 options in total)

You may choose an alternate option. This is a backup option and will only be used if there is a problem with one of your other options.

You will study each option for half a year.

If you are definitely not returning to SBHS in 2022 you can select this as an option (it is the last option). If you are unsure about this, please choose options at this stage.

These are different for each year level

Year 10 Options Half Year Courses

Please ensure that you select an option for both lines.

Choose your options in order of preference; ie 82A - 1st choice, 82B - 2nd choice

You may choose an alternate option. This is a backup option and will only be used if there is a problem with one of your other options.

You will study each option for half a year.

If you are definitely not returning to SBHS in 2022 you can select this as an option (it is the last option). If you are unsure, please choose options at this stage.

Course	82A	82B	Alternate

When you click on a subject – you can see specific information for that subject.

Art
Art (9ART)
ICT
Digital Technologies (9DTC)
Languages
Japanese (9JAP)
Māori
Māori (9MAO)
Performing Arts
Drama (9DRA)

Japanese (9JAP) ×

Languages link people and introduce learners to new ways of thinking about the world. Through learning Japanese, students will be able to build their language and cultural knowledge, increase their understanding of their first language, gain skills to learn further languages and understand the importance of language learning. The communicative approach used features a variety of language immersion activities.

How many subjects to choose?

Year 9 – at least 4 (only 3 if you choose 9DAP)

Year 10 – at least 2

There is the ability, at all levels, to choose an alternate subject, in case one of your other subjects doesn't fit or you don't get into one of your choices.

When you are happy with your choices...

You must confirm your selection for your subject choices to be saved
